Let's Talk Numbers:

Our work to date includes:

- We have 283 pre-enrolled students who have actively completed either on-line enrollment form or pre-registration form from grades K-5.
- We have approximately 25 bilingual teachers from the Southeast who are actively seeking employment at Dreamers Academy.
- We have collaborated with 4 dual language schools in New York, Florida, and Georgia. We find that we can't 'unsee' the work and benefits of their programs, some that have been home grown...it literally brings tears to my eyes.
- We have the energy of over 12 vendors and small businesses who we are coordinating with us to bring academic success to our program.
- We have interacted with 2 universities (USF and UCF) who are seeking internship placements, certification program development, and possible longitudinal studies within the next three years.
